New York Magazine 1985-05-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Women without a Past? Joanne Sayner 2007-01-01 Who remembers, and how? Debates about the role of memory as history - and of literature as memory - have increasingly come to fascinate those interested in how we look at our pasts as a means for understanding the present. *Women without a Past?* brings together for the first time autobiographies written by seven women who experienced Nazism from different perspectives: Elfriede Brüning, Hilde Huppert, Greta Kuckhoff, Elisabeth Langgässer, Melita Maschmann, Inge Scholl, and Grete Weil. Their autobiographies provoke diverse and challenging answers to questions about who remembers what, when, where, how and on behalf of whom. This book foregrounds the positive political potential of re-reading well-known texts and seeking out reasons why others have been marginalized. It examines autobiography as a form of writing at the very centre of contemporary debates on the 'self', 'truth' and 'history'. *Women without a Past?* offers new insights into the politics of memory and autobiography, and will be of particular interest to researchers and students engaging with women's writing and memories of Nazism.

Atlanta Magazine 2005-02 Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

The Wedding of the Lamb James L. Papandrea 2011-01-01 *The Wedding of the Lamb* does not fit into any of the traditional categories of interpretation for the book of Revelation. The author uses historical sources to combine New Testament interpretation with the history of the Roman/early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text. Far from a doomsday message, the message of Revelation is one of hope for a Church in the midst of persecution. The result is an interpretation which, unlike the proliferation of fictionalized accounts of the "end-times," recognizes that most of the images in the book of Revelation are references to events in the history of the Church.

Sultans of the South Navina Najat Haidar 2011 Between the 14th and the 17th century, the Deccan plateau of south-central India was home to a series of important and highly cultured Muslim courts. Subtly blending elements from Iran, West Asia, southern India, and northern India, the arts produced under these sultanates are markedly different from those of the rest of India and especially from those produced under Mughal patronage. This publication, a result of a 2008 symposium held at The Metropolitan Museum of Art, investigates the arts of Deccan and the unique output in the fields of painting, literature, architecture, arms, textiles, and carpet.

The Shepherd's Betrothal Lynn A. Coleman 2015 HOPE LANG BELIEVES IN LOVE... Not an arranged marriage to a man she's never met. Hope scorns such old-fashioned ideas, until she meets the man she once

refused as her groom. Soon she's falling for the rugged yet caring Irishman. Ian McGrae's determined to make a success of his new Florida homestead--not grapple with the woman who rejected him. But when the ownership of his land is disputed, Hope works by his side to uncover the threat. As Ian gets to know Hope, he finds she's his perfect match. And if they can forgive and forget the past, they just might have a future together.

Becoming Me Kay Rose-Hattrick 2014-09-10 *Becoming Me* is a fairytale about a girl from Sheffield. She's statistically average, but not necessarily ordinary. Since being a young girl, she has pondered how she fits into the world, discovering herself along the way, desperate to remember who she was, not who she had become. She had conformed to the programme that her father and the rest of society had expected her to follow, and that made her ill. At forty, she emerged as a dragonfly from her old life, desperate to break free from the system and live a simple life, free of consumerism. Her dream: to be self-sustaining; tend the land and look after animals. After being made redundant from the NHS, moving a three bedroomed house into her van, she escaped to rural Portugal with her husband, never planning to return. *Becoming Me* is about a girl everyone can relate to, because she's real. She still has her dream and is more determined than ever to fulfil her life's purpose. You will cry and laugh out loud at her life's ups and downs, in a world without mercy.

Fayz Muḥammad Kātīb Hazārah's Afghan Genealogy and Memoir of the Revolution Robert McChesney 2020-04-28 This book comprises English translations of *Nizhādnāmah-i Afghān* (Afghan Genealogy) and *Tazakkur al-Inqilāb* (Memoir of the Revolution), the culminating works of Fayz Muḥammad Kātīb Hazārah's monumental history of Afghanistan, *Sirāj al-tawārīkh* (The History of Afghanistan).

The Anxiety Opportunity Curtis Chang 2023-05-16 What if instead of battling anxiety, you saw your worries as a doorway to spiritual transformation? Challenging the assumption that anxiety is the enemy, theologian, popular podcaster, and fellow sufferer of chronic anxiety Curtis Chang gives you a different framework for approaching fears. You will discover profound new ways of relating to Jesus, the Holy Spirit, and those you love. Curtis Chang knows what it's like to view anxiety as a sin to overcome. He also knows how trying to get rid of anxiety through sheer faith or willpower usually leads to feelings of shame and frustration. After losing his job as a pastor due to debilitating anxiety, Curtis began the process of healing his heart. Combining years of personal experience, spiritual practice, and biblical study, Curtis discovered an alternative approach--one that sees anxiety as the path to our best selves in Christ. For all of us who feel stuck in a never-ending war with worry, *The Anxiety Opportunity* offers: Biblical wisdom about how anxiety can lead to rich spiritual growth An invitation to examine our fears as a way of pursuing our calling Simple practices for converting nervous energy into fruitful energy Insights into why trying to avoid loss generates more anxiety A renewed sense of peace as we realize what God can do through our fears It's time to think differently about the relationship between anxiety and spiritual growth. This unique and profound exploration of one of the greatest epidemics of our time shows us how anxiety can be the very place we meet Jesus--and how channeling our anxiety can help us become more like him.

The Musician's Guide to Brides Anne Roos 2008 (Book). Professional harpist Anne Roos draws upon her years of experience working with wedding planners and brides to guide the reader every step of the way to becoming a successful wedding musician. Readers will also get insider advice from internationally recognized wedding planning professionals, comprehensive worksheets, and checklists that provide all they need to know to plan their business and performances, and even sheet music arrangements of traditional

wedding music. This is a must-have book for musicians and bands who want to keep their calendar full with high-paying wedding ceremonies and receptions.

At the River's Edge Mariah Stewart 2014-01-28 NEW YORK TIMES BESTSELLER • Mariah Stewart returns to her beloved Chesapeake Diaries with this charming novel of small-town romance—perfect for fans of Barbara Freethy, Robyn Carr, and Susan Mallery. After taking stock of her life, Sophie Enright has decided it's time for a break. Between a law career that's become criminally dull and a two-timing boyfriend she's done with once and for all, Sophie desperately needs some time to think and some space to breathe. The perfect place to do both is easygoing St. Dennis, Maryland, where Sophie can visit with her brother while she figures out her options. Once in St. Dennis, she discovers a shuttered restaurant and makes a bold move that is also a leap of faith. Sophie buys the fixer-upper in order to finally pursue her dream career. But Sophie's labor of love becomes a bone of contention for her new neighbor Jason Bowers. The local landscaper has big plans for growing his business—until Sophie scoops up the property he's got his eye on. And no amount of buyout offers or badgering from him will get her to budge. It's hardly the start of a beautiful friendship. But when they're paired up to work on a community project, they agree to put their differences aside, and sparks begin to fly. Then Sophie's cheating ex suddenly shows up, looking for a second chance—and threatening to make Jason a third wheel just when his hotheaded feelings about Sophie were turning decidedly warmhearted. All Sophie wants is a new life and a true love. But what are the odds of having both? Praise for *At the River's Edge* "Everything you love about small-town romance in one book . . . *At the River's Edge* is a beautiful, heartwarming story. Don't miss this one."—Barbara Freethy "Another signature and heartwarming familial story . . . If a book is by Mariah Stewart, it has a subliminal message of 'wonderful' stamped on each page!"—Reader to Reader Reviews

The Bafokeng Heinrich Bammann 2014 In this book, the history of the Bafokeng in South Africa is examined through the lens of Christian missionaries of the Hermannsburg Mission Society. The book looks into the culture and religion of the Bafokeng, using the numerous reports submitted by Christoph and Ernst Penzhorn to their missionary superiors in Germany. These pioneering missionaries not only had the Christianization of Africans in mind and strove to understand their traditional belief system, but they also facilitated the school education of the Bafokeng in a manner that was inextricably linked to everything else. (Series: Sources and Contributions to the History of the Hermannsburg Mission and the Lutheran. Mission Work in Lower Saxony / Quellen und Beiträge zur Geschichte der Hermannsburger Mission und des Ev.-luth. Missionswerkes in Niedersachsen - Vol. 24)

My Fairytale Wedding Desiree Hartsock 2016-05-05 Extraordinary wedding on an ordinary budget Desiree Siegfried-Hartsock, star of ABC's *The Bachelorette* (2013 season), gives her best advice on how to have an extraordinary wedding, on an ordinary budget. In *My Fairytale Wedding*, Siegfried-Hartsock demystifies wedding planning and budgeting, offering super-practical tips on how to make your wedding a fabulous and memorable event. From small family weddings at home to breath-taking destination weddings, Siegfried-Hartsock guides you through everything you need for your dream wedding without breaking the bank.

Susan: The Story of a Miracle George White 2013-12 On January 26, 2012, the lives of George and Susan White were suddenly turned upside when Susan awoke with horrifying stomach pain. After being rushed to the emergency room, Susan learned that gallstones had become trapped in her bile duct. In a matter of hours, George's wife had transformed from a perfectly healthy woman to a hospital patient struggling to survive. In this memoir, George shares details from the roller-coaster journey he and his wife began that January morning. Susan contracted pancreatitis and began to suffer from serious complications that kept her in various hospitals for months to come. As George documents an experience that was both stressful and rewarding, he offers a glimpse into both the difficult times they faced during Susan's illness and the comforting moments fueled by love and generosity from friends and family. As Susan slowly began to recover, George chronicles how both he and his wife changed their outlooks on life and became more grateful for everything. *Susan: The Story of a Miracle* is an inspirational personal story of hope, faith, family, and friends as a husband and wife bravely face a health scare together and discover that miracles really do happen.

Special Events 1998

My Life: The Presidential Years Bill Clinton 2005-06-28 President Bill Clinton's *My Life* is the strikingly

candid portrait of a global leader who decided early in life to devote his intellectual and political gifts, and his extraordinary capacity for hard work, to serving the public. It shows us the progress of a remarkable American, who, through his own enormous energies and efforts, made the unlikely journey from Hope, Arkansas, to the White House—a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life: in college, working as an intern for Senator William Fulbright; at Oxford, becoming part of the Vietnam War protest movement; at Yale Law School, campaigning on the grassroots level for Democratic candidates; back in Arkansas, running for Congress, attorney general, and governor. We see his career shaped by his resolute determination to improve the life of his fellow citizens, an unfaltering commitment to civil rights, and an exceptional understanding of the practicalities of political life. We come to understand the emotional pressures of his youth—born after his father's death; caught in the dysfunctional relationship between his feisty, nurturing mother and his abusive stepfather, whom he never ceased to love and whose name he took; drawn to the brilliant, compelling Hillary Rodham, whom he was determined to marry; passionately devoted, from her infancy, to their daughter, Chelsea, and to the entire experience of fatherhood; slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior. President Clinton's book is also the fullest, most concretely detailed, most nuanced account of a presidency ever written—encompassing not only the high points and crises but the way the presidency actually works: the day-to-day bombardment of problems, personalities, conflicts, setbacks, achievements. It is a testament to the positive impact on America and on the world of his work and his ideals. It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right, and how he survived and prevailed. It is a treasury of moments caught alive, among them: • The ten-year-old boy watching the national political conventions on his family's new (and first) television set. • The young candidate looking for votes in the Arkansas hills and the local seer who tells him, "Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box. . . . You'll win here. But it'll be the only damn place you win in this county." (He was right on both counts.) • The roller-coaster ride of the 1992 campaign. • The extraordinarily frank exchanges with Newt Gingrich and Bob Dole. • The delicate manipulation needed to convince Rabin and Arafat to shake hands for the camera while keeping Arafat from kissing Rabin. • The cost, both public and private, of the scandal that threatened the presidency. Here is the life of a great national and international figure, revealed with all his talents and contradictions, told openly, directly, in his own completely recognizable voice. A unique book by a unique American.

Sex and Shopping: The Confessions of a Nice Jewish Girl Judith Krantz 2000-05-11 Dear Reader, As I was about to start my eleventh novel, I abruptly realized that I was making a huge mistake. On the verge of launching into the imagined world of a twenty-eight-year-old, I felt an intense need to tell another story, the story of a woman I know through and through...a woman with more wealth of experience, a woman who's seen more real glamour, known more fascinating people, lived in a world of more sophistication, and arrived at more hard-won maturity than that twenty-eight-year-old could hope for—in short, my own story. I've tried to remain as unknowable as possible, the better to let my heroines hold the stage, but now I was ready to tell the truth about myself, with no holding back. I've had a different life from that of the majority of women of my generation and background. While I seemed like another "nice Jewish girl," underneath that convenient cover I'd traveled my own, inner-directed path and had many a spicy and secret adventure. I grew up in a complicated tangle of privilege, family problems, and tormented teenaged sexuality. After a riotous education at Wellesley, my life was turned upside down by a glorious year in Paris, marked by an intense but ill-starred romance. I spent the next half-decade in New York, sowing lighthearted wild oats until I finally met my true love, to whom I've been married for forty-six years. When I was fifty I had an utterly unexpected, almost unbelievable success as a number-one bestselling novelist that has continued for book after book. Challenging, lucky, exciting, and often devastatingly askew, my life seems to have been lived under a wild and antic star. I've had as much amazing fun as my heroines, and here's the book to prove it. Judith Krantz

From Grief to Glory Otto Rieke II 2011-05-25 Cataclysmic events, some representing life's most grievous tragedies, have struck Otto Rieke's family. Tragedy and grief, viewed retrospectively, have rendered the subsequent glory of life all the more glorious. Life would have been unlivable, and this book unreadable,

were they a mere cosmic pity party. After enduring a full circle along the rim of hell on Earth; and having survived almost in tact, hopefully this book will portray the Riekes' ascension to the glory that has been most of the family, and Otto's own precarious existence on planet Earth. The author's essentially privileged, fulfilling, and competitive existence (prior to the anguishing events of mid-life), are narrated fully from birth with a comedic flair, and did prepare him for the survival of the really tough stuff. The Rieke's did not just endure it all, but have thrived, and have ascended time and again. Life continues as a search for the ultimate Truth, and for the Glory that is only Gods to possess completely. The family lives to seek its share of that glory. It is Otto's hope that this book is fun and non-controversial. He has attempted to accomplish that by staying on topics about which he claims expertise: politics, religion, and sex. If anything he says offends you, then you need to, either: 1. Repent, OR, 2. Sue him He apologizes only to those who were not offended, but who should have been. The author further hopes that you take the slight as it was intended, and hurt all the more. However, seriously, it is also hoped that this book is as entertaining as the exuberant feeling that its writing experience has given Otto. Family is who the Rieke's are. Family is the root of our society, and the family home is the first and most important school that our children will forever attend. Our parents are the first and the most important teachers that our children will forever have. Otto's stunning, wonderful wife of an earlier twenty five years, and of such unpretentious beauty, Mary Beth, and Otto raised five absolutely beautiful children, all of whom have encountered life very successfully. They are successful most of all by being good and loving people, as well as in all their spiritual, academic, athletic, personal, and professional endeavors. All of the Rieke children graduated from St Peters Catholic grade school, and local high schools, Rockhurst, St Teresas, and Notre Dame de Sion, all of which are in Kansas City, Mo. They and their spouses subsequently have graduated from various universities, including Rockhurst University, Central Missouri State University, Tulsa University, Syracuse University School of Journalism, Missouri University Medical School, St Louis University, The Medical School of Washington University in St Louis, Dartmouth College Medical School, and finally a post residency Fellow at the Harvard School of Medicine. The Rieke children, including their respective spouses are blessed beyond what would seem possible all in one family. The calamities referred to above, and subsequent grief, have chronologically seemed to coincide with - and maybe have been the genesis of, a subsequently inspired inner spiritual strength - indeed an almost supernatural strength to survive. Persistent strings of well earned successes at all personal levels of character, and by all worldly measure, might well be rooted in the strength of the Riekes' souls to survive. The family members have ascended to new lives with the strength to carry on, to love, and indeed to thrive. That, and the authors love relationships with them all, is the grandeur, the glory, of this book. No names have been changed to protect the innocent; there are none. Otto has an unparalleled flair to entertain, and to tell riveting stories with great passion. He will seize your very soul. If you can remain calmly seated while reading this book, then it is a failure. Get ready for the ride.

The Newberry Library Newberry Library 1905

Nightmares of an East Prussian Childhood Ilse Stritzke 2013-04-04 The mother of 11 year old Ilse Glaus turned down the last plane out of East Prussia ahead of the advancing Russians in order to stay back with her aged parents. That decision cost her family dearly in wartorn Europe, 1945. Ilse grew up on a small farm, with a wonderful family, the woods as a playground and the beaches of the Baltic. Then turmoil followed the German defeat by the Russians and the subsequent occupation. In 31 months under the Russians, Ilse's family is driven from their home, she mourns her missing father, witnesses her mother's rape, sees her grandparents and baby brother succumb to the brutal conditions, and hears of her oldest sister's capture and death in a work prison. Fighting starvation, Ilse crafts ways to coexist with the Russians, scavenging, begging and stealing to help the family survive.

My First 65 Years Ellen M. Levy

Diamonds on a River of Tears Lr Penn 2009-10 In this stunning work of historical fiction, LR Penn has concocted a breathtaking epic adventure that begins in 1890 in a small Zulu village in South Africa but spans three centuries and two continents. It is also a personal memoir that tells the story of a family torn apart by a racist totalitarian regime. The book examines a series of powerful conflicts: the cultural clash between ancient ethnic traditions and encroaching Western values; the political battle between the

underground resistance movement and the repressive military strength of a modern nation state; and stirring personal conflicts, as illustrated by the impossibly difficult choices that the novel's heroes are forced to make - between the quest for liberation and the pursuit of love, between a family's security and a people's freedom. *Diamonds on a River of Tears* presents an in depth portrait of day-to-day life in a society altogether out of balance, playfully juxtaposing its comic absurdities and tragic injustices, but ultimately handing down a moral indictment that all of contemporary civilization will have to face.

Event Solutions 2003

Project Management Case Studies and Lessons Learned M. Kemal Atesmen 2014-12-01 Project managers who lead globally dispersed teams face unique challenges in managing project stakeholders, scope, knowledge sharing, schedules, resources, and above all team execution in a global business environment. Finding timely solutions to challenging events becomes more difficult in a global project environment. This book presents more than 80 case studies designed to help project managers craft solutions to the typical problems that can occur in global projects. The author describes surprising, unexpected, and catastrophic cases that he encountered during his 35 years of project management experience in the global arena. The author details the background of each challenging case and then explains how he remedied the issue at hand. Some cases involve a logical step-by-step approach toward a solution, while others require unorthodox steps to get the project on the right track. The book includes lessons learned after every case. This book is designed to help global project managers become more proactive, careful, disciplined, and ready for sudden surprises that can affect their projects. The project cases detailed in this book support and guide the strategizing process that occurs during the execution of global projects. The book emphasizes the importance of documenting lessons learned after each project to prevent making the same mistakes in the future.

Stationery Trades' Journal 1903

Juan Carlos Paul Preston 2004-06-29 Preston explores the political and personal mysteries of the former Spanish monarch's life in a story of unprecedented sweep and exquisite detail which is at once a history of modern Spain and an indispensable exegesis of how democracies come to be.

Ethics for Jessica Gayle Graham Yates 2010-01-01 Jessica's grandmother writes from her loft at her Wisconsin lakeside cottage of the intangibles she wants to give to Jessica and her generation. Writing in view of the red pines and birch trees, the water and the light, with the sound of loons in the distance, Gayle Graham Yates reflects upon insights, knowledge, and stories she has learned. A woman, family member, citizen, environmentalist, and spiritual seeker, Yates considers in this memoir-as-letter-to-her-granddaughter both distresses and joys, people, opportunities, and education that have shaped her own life and that she wants to pass along. The flow of the book is metaphorically seasonal from autumn through summer. Moving through ethical frameworks drawn from Aristotle's ethics and the Ojibway narrative by Ignatia Broker, *Night Flying Woman*, the chapters develop sequentially through ways of learning, ways of loving, and ways of hoping. All this is to the end of lovingly transmitting to her granddaughter what she knows. "Which of us would not want a written testimony from our grandmothers about their lives and values, and which of us of grandparent age would not wish to write one (but rarely get around to it!) as part of our legacy? In *Ethics for Jessica*, Gayle Graham Yates...decants a lifetime of wisdom and experience: all she holds dear that she wants to pass on. And in all her words, it's the love that comes through most powerfully. Readers do not have to be her granddaughte to glean from these pages guidance, vision, strength, delight, and edification to enhance the course of their own lives."---Susan Deborah King, author of *Tabernacle, Coven, and One-Breasted Woman* "In this book, Gayle Graham Yates skillfully interweaves storytelling with finely crafted writing about the natural world and reflections about how to live an ethical life. Listening to her voice and entering into her imagery, a sense of urgency emerges. What we pass on to the next few generations will make all the difference to our individual and collective future."---Deborah J. Haynes, author of *Book of This Place: The Land, Art, and Spirituality*

The Wedding Ring; Or, Married and Single. A Domestic Tale afterwards LOWNDES JONES (Hannah Maria) 1824

Cohabitation Nation Sharon Sassler 2017-08-15 "We have fun and we enjoy each other's company, so why shouldn't we just move in together?"—Lauren, from *Cohabitation Nation* Living together is a typical

romantic rite of passage in the United States today. In fact, census data shows a 37 percent increase in couples who choose to commit to and live with one another, forgoing marriage. And yet we know very little about this new “normal” in romantic life. When do people decide to move in together, why do they do so, and what happens to them over time? Drawing on in-depth interviews, Sharon Sassler and Amanda Jayne Miller provide an inside view of how cohabiting relationships play out before and after couples move in together, using couples’ stories to explore the he said/she said of romantic dynamics. Delving into hot-button issues, such as housework, birth control, finances, and expectations for the future, Sassler and Miller deliver surprising insights about the impact of class and education on how relationships unfold. Showcasing the words, thoughts, and conflicts of the couples themselves, *Cohabitation Nation* offers a riveting and sometimes counterintuitive look at the way we live now.

The Poems of Robert Browning: Volume Five John Woolford 2022-05-31 The Ring and the Book, published serially in 1868–9, is one of the most daring and innovative poems in the English language. The story is based on the trial of an Italian nobleman, Guido Franceschini, for the murder of his wife Pompilia in Rome in 1698. Browning’s discovery of the ‘old yellow book’, a bundle of legal documents and letters relating to the trial, on a second-hand market stall in Florence, sparked an imaginative engagement with this sordid tale of domestic cruelty, adultery, and greed which grew, through four years of arduous labour, into an epic peopled not by gods and warriors but by concrete, recognisably human beings. Fusing the technique of the dramatic monologue, the form he had made his own, with the grandeur of classical epic and the vivid realism of the modern novel, Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself – the forging of the golden ‘ring’ of the poem from the ‘pure crude fact’ of its historical original. This edition, comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning’s poems, does full justice to the scope and depth of Browning’s achievement. The headnote in volume 5 gives an authoritative account of the poem’s composition, publication, sources, and reception, making use of hitherto unpublished letters and textual material. In addition to giving readers help, where needed, with historical and linguistic comprehension, the notes track Browning’s formidable range of allusion, from the most erudite to the most vulgar. The appendices in volume 6 present a selection from the original sources, a list of variants from extant proofs, and key passages from Browning’s fascinating and revealing correspondence with one of the earliest readers of the poem, Julia Wedgwood. The aim is to enable readers not just to understand the poem as an object of study, but to take pleasure in its abounding intellectual and emotional energies.

Hitler, 1936-1945 Nemesis Ian Kershaw 2001-09-17 The climax and conclusion of one of the best-selling biographies of our time. The New Yorker declared the first volume of Ian Kershaw's two-volume masterpiece "as close to definitive as anything we are likely to see," and that promise is fulfilled in this stunning second volume. As Nemesis opens, Adolf Hitler has achieved absolute power within Germany and triumphed in his first challenge to the European powers. Idolized by large segments of the population and firmly supported by the Nazi regime, Hitler is poised to subjugate Europe. Nine years later, his vaunted war machine destroyed, Allied forces sweeping across Germany, Hitler will end his life with a pistol shot to his head. "[M]ore probing, more judicious, more authoritative in its rich detail...more commanding in its mastery of the horrific narrative."—Milton J. Rosenberg, Chicago Tribune

Family and Succession Law in Poland Stanislaw Kalus 2020-03-20 Derived from the renowned multi-volume International Encyclopaedia of Laws, this concise exposition and analysis of the essential elements of law with regard to family relations, marital property, and succession to estates in Poland covers the legal rules and customs pertaining to the intertwined civic status of persons, the family, and property. After an informative general introduction, the book proceeds to an in-depth discussion of the sources and instruments of family and succession law, the authorities that adjudicate and administer the laws, and issues surrounding the person as a legal entity and the legal disposition of property among family members.

Such matters as nationality, domicile, and residence; marriage, divorce, and cohabitation; adoption and guardianship; succession and inter vivos arrangements; and the acquisition and administration of estates are all treated to a degree of depth that will prove useful in nearly any situation likely to arise in legal practice. The book is primarily designed to assist lawyers who find themselves having to apply rules of international private law or otherwise handling cases connected with Poland. It will also be of great value to students and practitioners as a quick guide and easy-to-use practical resource in the field, and especially to academicians and researchers engaged in comparative studies by providing the necessary, basic material of family and succession law

Rock My Wedding Charlotte O'Shea 2017-02-09 Just like you, your wedding day will be personal, one-of-a-kind, and completely unique. We're not here to tell you what you should do to make your day perfect, only that you can do it. With advice and guidance on the individual aspects to consider when planning your wedding day - from where to begin and recommended questions to ask your supplier, to plenty of alternative decor ideas - we hope that you'll find inspiration, reassurance and a little bit of escapism in these pages as you embark on planning one of the most special and joyful days of your lives.

Hitler, 1936-45 Ian Kershaw 2000 This one-volume edition of Kershaw's "superb biography" (Ian Buruma, "New York Times Book Review") of Hitler will be the final word on the most demonic figure of the 20th century. of photos.

Getting Married in Korea Laurel Kendall 1996-05-31 This work explores what it means to be modern and what it means to be Korean in a culture where courtship and marriage are often the crucible in which notions of gender and class are cast and recast. Touching on a number of important issues—identity, romantic love, women’s work, marriage negotiations, and wedding ceremonies—Laurel Kendall gives us a new appreciation for how Koreans have adapted this pivotal social practice to the astounding changes of the past century. Kendall attended her first Korean wedding in 1970, soon after she arrived in the country with the Peace Corps. Years later, as a seasoned anthropologist, she began interviewing both working-class and middle-class couples, matchmakers, purveyors of dowry goods, and proprietors of wedding halls. She consulted etiquette handbooks and women’s magazines and analyzed cartoons, photographs, and weddings themselves. The result is an engaging account of how marriage matches are made, how families proceed through the rites, how they finance ceremonies and elaborate exchanges of ritual goods, and how these practices are integral to the construction of adult identities and notions of ideal women and men. The book is also a reflection on what it means to write “Korea” in a complex and ever changing social milieu.

Christmas in Eternity Springs Emily March 2016-10-04 Claire Branham moves to Eternity Springs after a devastating betrayal and opens Forever Christmas, a specialty shop. There she meets ex-Navy submariner Jax Lancaster, the town's new handyman, who has moved himself and his young son there after his ex-wife's death. Can Jax protect their newfound happiness and prove to Claire that the spirit of Christmas is real when her past catches up to her?

Mousetrap, Inc. Joseph Guzzo 2021-10-08 New college graduate Nick Adano doesn’t realize it, but he’s about to move from the frustration of unemployment into the despair of being a vital cog in a morally dubious invention-marketing company. And when Nick and his boss find themselves with a problem on their hands—a client with a good idea who’s being railroaded—will Nick have the courage to confront himself? Set against the backdrop of the early nineties’ recession, *Mousetrap, Inc.* explores a world before email and social media, when people relied on newspapers as a pivotal way to get information. To buoy the spirits of his equally despairing coworkers, Nick pens tales featuring an antihero named Chapel Fox, by day a respected divorce attorney, but by night a madman bringing his version of justice to his beloved hometown. Nick’s coworkers take pleasure—and maybe derive a hint of self-recognition—from these morally ambiguous stories. Capturing the essence of the awkward early twenties, when we’re adults . . . but not quite, this work speaks to anyone who’s endured a less-than-ideal work situation.
