Deadly Love Brenda Joyce 2007-04-01 Dear Readers: I have a confession to make. I never know where my "muse" will take me next. It has been an exciting literary journey--my writing has evolved in many unexpected way, including recently into the realm of powerful and suspenseful contemporary women's fiction, which I shall continue to write under my own name, Brenda Joyce. I have never lost sight, however, of my audience--my historical romance readers, and especially fans of my books featuring the Bragg family. To this day, many of you still clamor for more Bragg books. Well, imagine my surprise when my "muse" prompted me to begin a new historical romance suspense series--and then I realized a Bragg had to be the hero! And so the nom de plume B.D. Joyce was born, and with it, the first book in an ongoing series, *Deadly Love*. Welcome to the world of Francesca Cahill, crime-solver extraordinaire. Francesca is no ordinary heroine. She refuses to bow to convention, wears her heart on her sleeve, and is determined to right the ills and injustices of society/
Deadly love begins Francesca's mad escapades when the neighbors' little boy is kidnapped right out of his bed during a society ball. It is January 18, 1902. Francesca stumbles across the ransom note just as she meets New York City's newly appointed police commissioner, Rick Bragg. And Francesca can no more stay out of this investigation than she can stop herself from falling love with the city's determined and powerful police commissioner. But little does she know that on this singular night, he life will change forever. Let me take you back in time to the lost, magical world of turn-of-the-century New York City--where the glittering mansions of society's elite are only footsteps away from the impoverished back alleys of the city's underbelly--and into the heart of true danger and even truer passion. Enjoy! Best wishes and Happy Reading, B.D. Joyce (a.k.a. Brenda Joyce)

Radical Chic and Mau-Mauing the Flak Catchers Tom Wolfe 2010-04-01
Radical Chic and Mau-Mauing the Flak Catchers is classic Tom Wolfe, a funny, irreverent, and "delicious" (The Wall Street Journal) dissection of class and status by the master of New Journalism The phrase 'radical chic' was coined by Tom Wolfe in 1970 when Leonard Bernstein gave a party for the Black Panthers at his duplex apartment on Park Avenue. That incongruous scene is re-created here in high fidelity as is another meeting ground between militant minorities and the liberal white establishment. *Radical Chic* provocatively explores the relationship between Black rage and White guilt. *Mau-Mauing the Flak Catchers*, set in San Francisco at the Office of Economic Opportunity, details the corruption and dysfunction of the anti-poverty programs run at that time. Wolfe uncovers how much of the program's money failed to reach its intended recipients. Instead, hustlers gamed the system, causing the OEO efforts to fail the impoverished communities.

They Call Me Baba Boeey Gary Dell'Abate 2011-05-31 NEW YORK TIMES BESTSELLER Includes all-new ma-ma-material! ALL NEW CHAPTER: Baba Boeey's Afghanistan Journal! and . . . the Shvoogie Buzzer story! One of pop culture's great enduring unsung heroes: Gary Dell'Abate, Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and

reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth. Baba Boeey! Baba Boeey! It was a slip of the tongue—that unfortunately was heard by a few million listeners—but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment Gary Dell'Abate, the long-suffering heroic producer of The Howard Stern Show, for better or worse, finally came into his own. In *They Call Me Baba Boeey*, Dell'Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem's Top 40 every Sunday morning, compulsively bought 45s of his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand.

Dell'Abate's memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper's mask who handily defeats his opponents playing "Stump the Boeey." We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes—such as the day he nearly killed the Mets mascot while throwing out the first pitch, or the time his mother called Howard's mother and demanded an apology. Hilarious, painful, and eye-opening, it's Gary as you've never seen him before, telling a story that even Stern show insiders can't begin to imagine.

Black on Both Sides C. Riley Snorton 2017-12-05 Winner of the John Boswell Prize from the American Historical Association 2018 Winner of the William Sanders Scarborough Prize from the Modern Language Association 2018 Winner of an American Library Association Stonewall Honor 2018 Winner of Lambda Literary Award for Transgender Nonfiction 2018 Winner of the Sylvia Rivera Award in Transgender Studies from the Center for Lesbian and Gay Studies The story of Christine Jorgensen, America's first prominent transsexual, famously narrated trans embodiment in the postwar era. Her celebrity, however, has obscured other mid-century trans narratives—ones lived by African Americans such as Lucy Hicks Anderson and James McHarris. Their erasure from trans history masks the profound ways race has figured prominently in the construction and representation of transgender subjects. In *Black on Both Sides*, C. Riley Snorton identifies multiple intersections between blackness and transness from the mid-nineteenth century to present-day anti-black and anti-trans legislation and violence. Drawing on a deep and varied archive of materials—early sexological texts, fugitive slave narratives, Afro-modernist literature, sensationalist journalism, Hollywood films—Snorton attends to how slavery and the

production of racialized gender provided the foundations for an understanding of gender as mutable. In tracing the twinned genealogies of blackness and transness, Snorton follows multiple trajectories, from the medical experiments conducted on enslaved black women by J. Marion Sims, the “father of American gynecology,” to the negation of blackness that makes transnormativity possible. Revealing instances of personal sovereignty among blacks living in the antebellum North that were mapped in terms of “cross dressing” and canonical black literary works that express black men’s access to the “female within,” *Black on Both Sides* concludes with a reading of the fate of Phillip DeVine, who was murdered alongside Brandon Teena in 1993, a fact omitted from the film *Boys Don’t Cry* out of narrative convenience. Reconstructing these theoretical and historical trajectories furthers our imaginative capacities to conceive more livable black and trans worlds.

Stalking the Red Headed Stranger is a guide to the art and history of professional song plugging. But this isn't your run-of-the-mill history book/instruction manual. It is an in-depth, up-close look into the real music business by industry insider and Grammy Award nominee Randy Poe, who has represented literally hundreds of the greatest songs in the history of popular music, including "Stand By Me," "Happy Together," "Jailhouse Rock," "Under the Boardwalk," "Hound Dog," "What a Wonderful World," "Spanish Harlem," "Chapel of Love," "Summer in the City," "Love Potion No. 9," and "Kansas City." But wait! There's so much more! Interwoven throughout this entertaining and enlightening book is the hysterical saga of the author as he chases American icon Willie Nelson across Canada via plane, taxi, rental car, and even ferryboat in an attempt to pitch a single song to the Red Headed Stranger. And what happens on Willie's bus doesn't stay on Willie's bus. *Stalking the Red Headed Stranger*, or *How to Get Your Songs into the Hands of the Artists Who Really Matter Through Show Business Trickery, Underhanded Skullduggery, Shrewdness, and Chicanery, as Well as Various Less Nefarious Methods of Song Plugging: A Practical Handbook and Historical Portrait* is the funniest, hippest, longest-titled how-to book you'll read this year.

Marriage Be Hard Kevin Fredericks 2022-09-13 NEW YORK TIMES BESTSELLER • Discover the keys to upholding your vows while staying sane in this hilariously candid guide to relationships, from the husband-and-wife team of comedian Kevin Fredericks and influencer Melissa Fredericks “Kev and Melissa are not afraid to tell the truth!”—Tabitha Brown, *New York Times* bestselling author of *Feeding the Soul* Growing up, Kevin and Melissa Fredericks were taught endless rules around dating, sex, and marriage, but not a lot about what actually makes a relationship work. When they first got married, they felt alone—like every other couple had perfect chemistry while the two of them

struggled. There were conversations that they didn't know they needed to have, fears that affected how they related to each other, and seasons of change that put their marriage to the test. Part of their story reads like a Christian fairytale: high school sweethearts, married in college, never sowed any wild oats, with two sons and a thriving marriage. But there's another side of their story: the night Melissa kicked Kevin out of her car after years of communication problems, the time early in their marriage when Kevin bordered on an emotional affair, the way they've used social media and podcasts to conduct a no-holds-barred conversation about forbidden topics like jealousy, divorce, and how to be Christian and sex positive. (Because, as Kevin writes, "Your hormones don't care about your religious beliefs. Your hormones want you to subscribe to OnlyFans.") In *Marriage Be Hard*, the authors provide a hilarious and fresh master class on what it takes to build and maintain a lasting relationship. Drawing on interviews with experts and nearly two decades of marriage, they argue that

- Compatibility is overrated.
- Communication is about way more than simply talking.
- Seeing divorce as an option can actually help your marriage.
- There's such a thing as healthy jealousy. Real marriage is not automatic. It ain't no Tesla on the open road. Sometimes it's a stick shift on a hill in the rain with no windshield wipers. But if you get comfortable visiting—and revisiting—the topics that matter, it can transform your bond with your partner and the life you're building together. Written for those tired of unrealistic relationship books—and for anyone wondering if they're the only ones breaking all the rules—*Marriage Be Hard* is a breath of fresh air and the manual you wish existed after you said "I do."

Troubles and Trials 2012 Little Caesar and the Consuls might possibly be Toronto's oldest rock band. In *Troubles and Trials*, the band's former drummer, Gary Wright, takes a look back at the journey of a unique and successful homegrown band and the chain of events that helped make them popular. As rock-and-roll traditionalists for well over half a century, Little Caesar and the Consuls achieved recognition as accomplished musicians and songwriters-despite never producing a hit record after 1965. Wright not only chronicles the musical history that led up to the creation of the band in 1956, but also details the dynamics behind the band and what kept them rockin' right up until they disbanded at the end of 2010. Determined to take a song and "Caesarize" it by making it their own, the band distinguished themselves from their competition and became a sought-after dance and cover band. Wright brings the band's story to life by including photos, anecdotes, and stories about the band's group of truly illustrious friends. *Troubles and Trials* shares an introspective, behind-the-scenes glimpse into what it is like to share a passion for music with others and, in the process, create the kind of

memories that last a lifetime.

Post Black Ytasha L. Womack 2010-01-01 As a young journalist covering black life at large, author Ytasha L. Womack was caught unaware when she found herself straddling black culture's rarely acknowledged generation gaps and cultural divides. Traditional images show blacks unified culturally, politically, and socially, united by race at venues such as churches and community meetings. But in the "post black" era, even though individuals define themselves first as black, they do not necessarily define themselves by tradition as much as by personal interests, points of view, and lifestyle. In *Post Black: How a New Generation Is Redefining African American Identity*, Womack takes a fresh look at dynamics shaping the lives of contemporary African Americans. Although grateful to generations that have paved the way, many cannot relate to the rhetoric of pundits who speak as ambassadors of black life any more than they see themselves in exaggerated hip-hop images. Combining interviews, opinions of experts, and extensive research, *Post Black* will open the eyes of some, validate the lives of others, and provide a realistic picture of the expanding community.
